

## REMARKS

The Office Action requires that a single disclosed species be elected for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable.

Applicants provisionally elect a compound as a elected species, which is represented as a formula of claim 1 where X is CHCHBr, Y is H, R' is  $\text{CH}_2(\text{CH}_2)_4\text{F}$ , and R" is  $\text{CH}_3$ . Accordingly, claims 2, 25-32, and new claims 33-42 are directed to the elected species. The new claims 33-40 are supported by Scheme 8 on page 27 of the as-filed Specification. Claims 22-24 have been amended to correct typographical errors. Therefore, no new matter has been added with this Amendment.

It is believed that the present submission requires the payment of the additional claim fees of \$90.00 (\$9.00 times 10 new claims) under 37 CFR 1.16(c) for a small entity. If this is incorrect, however, please charge any fee necessary to Deposit Account No. 7-1969.

Respectfully submitted,

Heeja Yoo-Warren
